

REMARKS

Claims 19-33 and 42-65 are pending in this patent application. The applicants note with appreciation the allowance of claims 19-33, 42-52 and 55-65. By this amendment, claims 53 and 54 have been cancelled.

Reconsideration of this patent application, as amended, is respectfully requested.

Drawings Objection

In accord with the Examiner's comments and the Notice of Draftsperson's Patent Drawing Review, the reference numbers and associated lead lines of Figs. 1-19 have been thickened and the drawings otherwise cleaned up so as to make them more plain, legible, and well defined. A complete set of formal drawings is attached hereto and two sets of formal drawings have been sent to the Official Draftsperson under separate cover.

Claim Objections

Claims 53 and 54 were objected to under 37 CFR 1.75 (c), as being of improper dependent form. Claims 53 and 54 have been cancelled. The objection to claims 53 and 54 is believed to be moot. The removal of the objection to under 37 CFR 1.75 (c) to the claims as now pending is respectfully requested.

Conclusion

In view of the foregoing amendments and remarks, it is submitted that this application is in condition for allowance. Action to that end is hereby solicited.

Respectfully submitted,

MAGINOT, MOORE & BECK LLP
